Emerson Quinn is famous. Girls want to be her. The boys want to date her. Each record sells out the last one. It remains only to continue the transition of her brand from teenage fans to a more mature, diverse audience. So she is under strict orders to play nice with her army of assigned co-writers and knock out serial dating that keeps landing her in the tabloids. If he follows the instructions, he can expect an indefinite run at the top of the celebrity ecosystem. There is only one problem with this plan: Emerson is miserable. So he escapes, impulsively fleeing from life in Los Angeles and heading to a small university town in Iowa, where the guy once lived. He's the only person in the world who can think of who can be a sucker enough not to know about the Emerson Quinn brand. Who may be willing to provide a haven where you can lie low and write your new album by yourself, on your own terms. Art history professor Evan Winslow knows a thing or two about leaving the past behind. He worked hard to find himself away from the spotlight of his infamous father. He will soon be running for a mandate, which will mean job security for life. All he has to do to block his hard-won, blessed quiet existence is to keep his head down. It is a pity that the most famous pop star in the world, which is also his long-lost muse, has just appeared on his doorstep. Frat Brother by Nico Jaye Kyle Fenton nicknamed around his fraternity house may also be Shameless Flirt. He is more than happy to live with this reputation, especially when the new frat brother Daisuke Dice Keto appears. However, Dice's reaction to Kyle's antics is mysterious at best, leaving Kyle frustrated in more ways than one. Does a losing bet and a sexy encounter with Secret Admirer-explain the situation? Haru do Aiden by Alexia X. Eighteen-year-old Haru Ono was in love with his half-brother Aiden Davis since he was in high school. Trying to keep your feelings under wraps is annoyingly difficult when you live under the same roof at such close range, all the more so because Aiden is so caring and selflessly showers him with kindness. Haru knows that family is important to Aiden, who carries the burden of raising five younger siblings, and ideally haru never reveals his feelings to Aiden. Then again, an 18-year-old boy with raging hormones can only bottle up so much until everything starts to crack. Keeping Secrets kiru taye Have you ever loved someone and didn't even know? This is the dilemma facing Felix Essien when he wakes up from a coma to find that he is married to the most beautiful and sensual woman, ever known. She does not remember her or their wedding; he who has sworn never to marry or to give his heart to another. However, she feels an intense bond with her that fully investigated. Ebony can't believe her happiness when her paper husband wakes up not remembering the temporary marriage arrangement without the intimacies he's proposed to, and now the adored husband she's always dreamed of. He plans to make the most of the passion blossoming between them. However, does she still feel that way when she regains her memory and realizes that she was keeping secrets and their marriage is not what she thinks she is? Neanderthal Box Set by Penny Reid includes: Neanderthal Looking for a Man, Book #1 in Knitting in the City Series There are three things you need to know about Janie Morris: 1) She's not able to engage in conversation without volunteering TMTI (Too much trivial information), especially when she's unnerved. 2) No one unnerves her more than Sullivan Quinn, and 3) She doesn't know how to knit. After losing her boyfriend, apartment and work on the same day, Janie Morris can't help wondering what the new fate of the orchy has in store. To her complete mortification, Quinn Sullivan- aka Sir McHotpants- witnesses all this then constantly appears like a pair of shoes you covet but can't afford. The last thing she expects is that Quinn make her an offer that she can't reject. A Neanderthal marries a man, Book #1.5 in Knitting in the City Series There are three things you should know about Quinn Sullivan: 1) He's insanely in love with Janie Morris, 2) He's not above playing dirty to get what (or who) he wants, and 3) He doesn't know how to knit. After just five months of dating Janie, Quinn - a former Wendell and intransigent autocat - is ready to propose marriage. In fact, it is more than ready. If it were up to Quinn, he would effectively propose, marry and begot Janie with the baby all on the same day, thus avoiding the drama and anxiety that accompanies the four stages before marriage: engagement, meeting with parents, bachelor/bachelorette party, and exaggerated, superfluous wedding day traditions. But Janie, to Quinn's dismay, throws the key in his effective efforts and challenges him to prove his devotion by going through marital movements, no matter how minute and thud. Will Quinn last until the wedding day? Or will he surrender to his tyrants? Spice and Smoke suleikha Snyder When the cameras stop rolling, the real scene begins. Avi Kumar and Trishna Chaudhary are Bollywood lovers. Behind closed doors, their open marriage allows them to freely give in to all forbidden passions. The arrangement suits them both, but as they begin filming on the set of their new film, the heat of new and kindling flames sings the side of what they think will be a new script. When costars Michael Gill and Harsh Mathur arrive on set, the sexual temperature goes up exponentially, at least for Trish. He can't take his eyes off Harsh, for whom he has been carrying a torch for years. Avi's immediate attraction for Michael, however, bounces off a solid wall Michael. Meanwhile, Cast as fictional enemies, Vikram Malhotra and Sam Khanna find it increasingly difficult to control the very real demons that once cost their love of life. Once you start music, however, everyone has no choice but to dance. And pray that the fallout will not ruin their entire career... and destroy their love. The Year of the Sticks by Romi Moondi Awkward family return for Christmas. Humiliating public weighing, with two parents judging as an audience. Announcement of the date of the arranged marriage of doom. And these are just the first two chapters. In the Year of the Cane Romi Narandria must find love before her parents find her husband (a seemingly absurd concept that is the norm in many cultures). To escape his fate, Romi rolls through the waters of secret dating, where self-awareness is at a record high and experience at a record low. It's something that will turn almost everyone into a crazy freak with a vision of a romance tunnel, and that's what happens to her. All the while, the lack of inspiration in her corporate work leads Romi to her love of writing, in what quickly becomes a man-quest play-by-play. From bags of scum with whiskey breath to creeping uni-eyebrows and everything in between, Romi and her wing appear empty time and time again. And then he meets with another writer. On the Internet. So will it be a stacked marriage annihilation, or an internet romance that isn't as scary as Catch a Predator? Time will tell in the year of the chicks, a twelve-month quest to find love. Tick-tock. Paranormal & Fantasy Romance Fever Claim by Marie Johnston Can I swap one night forever? After being thrown into a ditch just weeks before the wedding, Cassie Stockwell wasn't looking for a hook-up. Then the devastatingly handsome bartender she's trying not to obsess over for months offered to give her a ride home. What might have hurt someday? When his future was almost taken away after one impulsive decision, wolf-shifter and ex-con Jace Miller patiently waited for months before making a move on a woman he knew was his destiny mate. But will one night of passion keep his little man by his side when he learns about his world and the danger it brings to her door? Kade's Dark Embrace Kym Grosso After a series of girls are ritually murdered on the cold streets of Philadelphia, experienced detective Sydney Willows is forced to work with a sexy, alpha vampire, Kade Issacson. As things progress, sydney attracts its new partner, no matter how difficult it is to fight it. Kade, determined to resolve the case and do justice, is delighted with the independent, fiery detective. While he tries to protect her from a very real murderer, his concern for a beautiful but very human detective grows. She could easily end up dead if she became entangled with supernatural forces that are beyond her control. The investigation leads them to a dark and dangerous New Orleans, where together they are looking for Voodoo killings. When Sydney becomes a killer target, he ends up fighting for his life and love in the Big Easy. If she makes her alive, does she give to the intoxicating desire she feels kade? Lord Magpie by KJ Charles pan in danger. Magician in confusion. Snowball in hell. Exiled to China for 20 years, Lucien Vaudrey never planned to return to England. But with the mysterious death of his father and brother, it seems that the new Lord Crane inherited the Earl. He also inherited his family's enemies. He needs magical help, fast. He doesn't expect it to become bad. Magician Stephen Day has good reason to hate Crane's family. Unfortunately, his task is to deal with supernatural threats. Besides, the Count is unlike any aristocrat he has ever met, with tattoos, attitude... and crane's way seems determined to get him to bed. It's definitely unusual. Soon Stephen falls the worst possible man at the worst possible time. But Crane's dangerous appeal isn't the only thing that makes Stephen powerless. Evil permeates the house, a network of plots closes around Crane, and if Stephen can't find a way to do it, they'll both die. Norseton Wolves Mate Call Collection holley trent This collection contains the first four stories in the Norseton Wolves series. In these novels, Norseton alpha plays a matchmaker for a pack of lone, rough-around-the-edge, single wolves. CONTAINS: BEAST After a brutal fight in the middle of blind werewolf Anton Denis, he closed in on the opportunity to take a colleague. It takes a special woman to love the man for the scars, and the gentle Christina Stilton insists that the woman is hers. LONER Darius is on the sidelines, but Stephanie understands how it feels too good. He may lack Polish, but he has the tenderness that Stephanie lacked in previous relationships. They are both loners in their own way, but if they can meet to find a common thread, colleagues can light an affair hot enough to both howle them out. IDLER Lisa is convinced that her born alpha male has the potential to solve big problems, but not without encouragement. He is a wolf with a turbulent past, and if he pushes too hard, he will lose confidence. She can't afford it. Colt may not only be a ticket to a better life for her sisters, but perhaps the closest to the ideal partner of the dominant Type A personality type as she will ever find. SCION Old injuries create a seemingly insurmountable wedge between Madaris and Carbones, but the wolf goddess will only once admit Vic and Ashley with excellent buddies. If they are to hope for the future in the Nordic package, they must put aside the insults of the past. Managing it can take them a little miracle. Wanted by Alpha by Laxmi Hariharan She belongs to me... Just a glance and I know it was MINE. She's not like other omegas I've met, I didn't expect this need for her. I should have been But I can't leave without it. It is twisted in me, longing, full of fear and anger. For her... No one can stop me from breaking it from creating its mine... She belongs to me... But when Eli finds falls in love, he realizes, convincing Monica about his true feelings, which may be his greatest birth. Known by Jenna Holiday Everyone knows her face. She knows her heart. Emerson Quinn is famous. Girls want to be her. The boys want to date her. Each record sells out the last one. It remains only to continue the transition of her brand from teenage fans to a more mature, diverse audience. So she is under strict orders to play nice with her army of assigned co-writers and knock out serial dating that keeps landing her in the tabloids. If he follows the instructions, he can expect an indefinite run at the top of the celebrity ecosystem. There is only one problem with this plan: Emerson is miserable. So he escapes, impulsively fleeing from life in Los Angeles and heading to a small university town in Iowa, where the guy once lived. He's the only person in the world who can think of who can be a sucker enough not to know about the Emerson Quinn brand. Who may be willing to provide a haven where you can lie low and write your new album by yourself, on your own terms. Art history professor Evan Winslow knows a thing or two about leaving the past behind. He worked hard to find himself away from the spotlight of his infamous father. He will soon be running for a mandate, which will mean job security for life. All he has to do to block his hard-won, blessed quiet existence is to keep his head down. It is a pity that the most famous pop star in the world, which is also his long-lost muse, has just appeared on his doorstep. Frat Brother by Nico Jaye Kyle Fenton nicknamed around his fraternity house may also be Shameless Flirt. He is more than happy to live with this reputation, especially when the new frat brother Daisuke Dice Keto appears. However, Dice's reaction to Kyle's antics is mysterious at best, leaving Kyle frustrated in more ways than one. Does a losing bet and a sexy encounter with Secret Admirer-explain the situation? Haru do Aiden by Alexia X. Eighteen-year-old Haru Ono was in love with his half-brother Aiden Davis since he was in high school. Trying to keep your feelings under wraps is annoyingly difficult when you live under the same roof at such close range, all the more so because Aiden is so caring and selflessly showers him with kindness. Haru knows that family is important to Aiden, who carries the burden of raising five younger siblings, and ideally haru never reveals his feelings to Aiden. Then again, an 18-year-old boy with raging hormones can only bottle up so much until everything starts to crack. Keeping Secrets kiru taye Have you ever loved someone and didn't even know? This is the dilemma facing Felix Essien when he wakes up from a coma to find that he is married to the most beautiful and sensual woman, ever known. She does not remember her or their wedding; he who has sworn never to marry or to give his heart to another. However, she feels an intense bond with her that fully investigated. Ebony can't believe her happiness when her paper husband wakes up not remembering the temporary marriage arrangement without the intimacies he's proposed to, and now the adored husband she's always dreamed of. He plans to make the most of the passion blossoming between them. However, does she still feel that way when she regains her memory and realizes that she was keeping secrets and their marriage is not what she thinks she is? Neanderthal Box Set by Penny Reid includes: Neanderthal Looking for a Man, Book #1 in Knitting in the City Series There are three things you need to know about Janie Morris: 1) She's not able to engage in conversation without volunteering TMTI (Too much trivial information), especially when she's unnerved. 2) No one unnerves her more than Sullivan Quinn, and 3) She doesn't know how to knit. After losing her boyfriend, apartment and work on the same day, Janie Morris can't help wondering what the new fate of the orchy has in store. To her complete mortification, Quinn Sullivan- aka Sir McHotpants- witnesses all this then constantly appears like a pair of shoes you covet but can't afford. The last thing she expects is that Quinn make her an offer that she can't reject. A Neanderthal marries a man, Book #1.5 in Knitting in the City Series There are three things you should know about Quinn Sullivan: 1) He's insanely in love with Janie Morris, 2) He's not above playing dirty to get what (or who) he wants, and 3) He doesn't know how to knit. After just five months of dating Janie, Quinn - a former Wendell and intransigent autocat - is ready to propose marriage. In fact, it is more than ready. If it were up to Quinn, he would effectively propose, marry and begot Janie with the baby all on the same day, thus avoiding the drama and anxiety that accompanies the four stages before marriage: engagement, meeting with parents, bachelor/bachelorette party, and exaggerated, superfluous wedding day traditions. But Janie, to Quinn's dismay, throws the key in his effective efforts and challenges him to prove his devotion by going through marital movements, no matter how minute and thud. Will Quinn last until the wedding day? Or will he surrender to his tyrants? Spice and Smoke suleikha Snyder When the cameras stop rolling, the real scene begins. Avi Kumar and Trishna Chaudhary are Bollywood lovers. Behind closed doors, their open marriage allows them to freely give in to all forbidden passions. The arrangement suits them both, but as they begin filming on the set of their new film, the heat of new and kindling flames sings the side of what they think will be a new script. When costars Michael Gill and Harsh Mathur arrive on set, the sexual temperature goes up exponentially, at least for Trish. He can't take his eyes off Harsh, for whom he has been carrying a torch for years. Avi's immediate attraction for Michael, however, bounces off a solid wall Michael. Meanwhile, Cast as fictional enemies, Vikram Malhotra and Sam Khanna find it increasingly difficult to control the very real demons that once cost their love of life. Once you start music, however, everyone has no choice but to dance. And pray that the fallout will not ruin their entire career... and destroy their love. The Year of the Sticks by Romi Moondi Awkward family return for Christmas. Humiliating public weighing, with two parents judging as an audience. Announcement of the date of the arranged marriage of doom. And these are just the first two chapters. In the Year of the Cane Romi Narandria must find love before her parents find her husband (a seemingly absurd concept that is the norm in many cultures). To escape his fate, Romi rolls through the waters of secret dating, where self-awareness is at a record high and experience at a record low. It's something that will turn almost everyone into a crazy freak with a vision of a romance tunnel, and that's what happens to her. All the while, the lack of inspiration in her corporate work leads Romi to her love of writing, in what quickly becomes a man-quest play-by-play. From bags of scum with whiskey breath to creeping uni-eyebrows and everything in between, Romi and her wing appear empty time and time again. And then he meets with another writer. On the Internet. So will it be a stacked marriage annihilation, or an internet romance that isn't as scary as Catch a Predator? Time will tell in the year of the chicks, a twelve-month quest to find love. Tick-tock. Paranormal & Fantasy Romance Fever Claim by Marie Johnston Can I swap one night forever? After being thrown into a ditch just weeks before the wedding, Cassie Stockwell wasn't looking for a hook-up. Then the devastatingly handsome bartender she's trying not to obsess over for months offered to give her a ride home. What might have hurt someday? When his future was almost taken away after one impulsive decision, wolf-shifter and ex-con Jace Miller patiently waited for months before making a move on a woman he knew was his destiny mate. But will one night of passion keep his little man by his side when he learns about his world and the danger it brings to her door? Kade's Dark Embrace Kym Grosso After a series of girls are ritually murdered on the cold streets of Philadelphia, experienced detective Sydney Willows is forced to work with a sexy, alpha vampire, Kade Issacson. As things progress, sydney attracts its new partner, no matter how difficult it is to fight it. Kade, determined to resolve the case and do justice, is delighted with the independent, fiery detective. While he tries to protect her from a very real murderer, his concern for a beautiful but very human detective grows. She could easily end up dead if she became entangled with supernatural forces that are beyond her control. The investigation leads them to a dark and dangerous New Orleans, where together they are looking for Voodoo killings. When Sydney becomes a killer target, he ends up fighting for his life and love in the Big Easy. If she makes her alive, does she give to the intoxicating desire she feels kade? Lord Magpie by KJ Charles pan in danger. Magician in confusion. Snowball in hell. Exiled to China for 20 years, Lucien Vaudrey never planned to return to England. But with the mysterious death of his father and brother, it seems that the new Lord Crane inherited the Earl. He also inherited his family's enemies. He needs magical help, fast. He doesn't expect it to become bad. Magician Stephen Day has good reason to hate Crane's family. Unfortunately, his task is to deal with supernatural threats. Besides, the Count is unlike any aristocrat he has ever met, with tattoos, attitude... and crane's way seems determined to get him to bed. It's definitely unusual. Soon Stephen falls the worst possible man at the worst possible time. But Crane's dangerous appeal isn't the only thing that makes Stephen powerless. Evil permeates the house, a network of plots closes around Crane, and if Stephen can't find a way to do it, they'll both die. Norseton Wolves Mate Call Collection holley trent This collection contains the first four stories in the Norseton Wolves series. In these novels, Norseton alpha plays a matchmaker for a pack of lone, rough-around-the-edge, single wolves. CONTAINS: BEAST After a brutal fight in the middle of blind werewolf Anton Denis, he closed in on the opportunity to take a colleague. It takes a special woman to love the man for the scars, and the gentle Christina Stilton insists that the woman is hers. LONER Darius is on the sidelines, but Stephanie understands how it feels too good. He may lack Polish, but he has the tenderness that Stephanie lacked in previous relationships. They are both loners in their own way, but if they can meet to find a common thread, colleagues can light an affair hot enough to both howle them out. IDLER Lisa is convinced that her born alpha male has the potential to solve big problems, but not without encouragement. He is a wolf with a turbulent past, and if he pushes too hard, he will lose confidence. She can't afford it. Colt may not only be a ticket to a better life for her sisters, but perhaps the closest to the ideal partner of the dominant Type A personality type as she will ever find. SCION Old injuries create a seemingly insurmountable wedge between Madaris and Carbones, but the wolf goddess will only once admit Vic and Ashley with excellent buddies. If they are to hope for the future in the Nordic package, they must put aside the insults of the past. Managing it can take them a little miracle. Wanted by Alpha by Laxmi Hariharan She belongs to me... Just a glance and I know it was MINE. She's not like other omegas I've met, I didn't expect this need for her. I should have been But I can't leave without it. It is twisted in me, longing, full of fear and anger. For her... No one can stop me from breaking it from creating its mine... She belongs to me...
